

Additional Information

Monthly Tuition

Tuition must be paid on the first class of every month. If the student is absent the first class tuition may be paid the next class without penalty. Full tuition should be paid regardless of how many classes your child attends. If your tuition is not received by the end of week 2, a \$5 late fee will be assessed each week until full payment (including late fees) is received. There is a \$15 processing fee for all returned checks.

Performance Squads

It is very important you are willing to travel and attend events to perform. There are out of town events that we will be attending. An event calendar will be distributed during the first month of classes. There are participant fees per student for most events, which is determined by the entry fee and number of students on a team.

Performance Squad Uniforms

Dance uniforms are ordered during the first month of classes. Dancers will be measured during class for sizing. A uniform cost slip will be distributed to each student listing the payment due date and any accessories needed to complete their uniform. Cheerleaders will be contacted with a fitting date/time as well as uniform costs. **Performance costs are NON-REFUNDABLE, no exceptions!**

Class observation

You will be invited to observe your child's class two times during the season. Your instructor will invite you into the classroom approximately 15 min prior to the end of class time. Feel free to bring cameras or video recorders to catch your child at their best! Parents are welcome to ask about the progress of their child anytime.

Additional information is provided to registered students regarding class attire, attendance guidelines, class cancellation policy, and other important studio news. Check parent news on the website for communications and announcements!
