

Classes for Everyone!

Team Dance & Cheerleading squads focus on “performance”. All recreation dance squads learn pom dance style, with some technique training. The competition dance squads cover a broader scale focusing on various dance styles including pom, jazz, lyrical, and hip hop. For competition squads there is more emphasis on technique, and evaluations are sometimes held for class placement. Cheer squads focus on routines that includes dance, cheer, tumbling, and stunting. *Grades Kindergarten-12th*

Dance and Cheer performance groups purchase uniforms and perform at various events throughout the year.
