### **MORE NEWS...**

We sadly say **goodbye** to our cheer coaches Roxie Truax and Kelcey Anderson.

Roxie has been coaching cheer at Dynamic for 6 years. In her years with Dynamic she has not only taught our children to be great cheerleaders but to be positive role models outside of class. She has done a fantastic job improving our cheer program! Roxie will be focusing on her masters in education, and her teaching career at Washington High School.

Kelcey has been instructing tumbling and coaching cheer at Dynamic for 7 years. Kelcey has been with Dynamic longer than any other instructor! Her dedication and longevity has proven she truly loves the children she teaches. Her positive outlook on life and rapport she shares with both students and parents are amazing. Kelcey will be moving away to begin graduate school.

Both coaches have brought many positive things to our program.  
We will miss them dearly and wish them both best wishes in their future endeavors!

**Welcome!** Coaches (and sisters ☺) Kim Krueger and Katee Lane to our cheerleading and tumbling programs. They currently coach the BVHS competition and sideline squads, and both graduated from BVHS with many years of experience! They are looking forward to working with our children and excited to be a part of Dynamic! Welcome them to our Dynamic family!

Spread the Word! We are still searching for an additional cheer and tumbling coach!  
If you know of anyone with experience and interested they can contact Tracy at 605-929-6666.
